

How To Paint Dandelions With Empty Toilet Paper Rolls

Empty Toilet Paper Rolls/ cardboard tubes

Aluminium Foil (or paint pallet, a plastic plate would also work)

Scissors

Cotton wool buds

Poster Paint

Cotton Wool (or cotton balls or squares)

- First, cut fringe at one end of your toilet roll then make a little pool of paint, either on a plastic plate or on a piece of foil and start dipping and stamp painting the beautiful dandelions.
- Then use the same stamping technique to make the dandelion dust
- Use the cotton wool buds to draw the stem and to add the seeds
