VE Day - or 'Victory in Europe Day' - marks the day towards the end of World War Two (WW2) when fighting against Nazi Germany in Europe came to an end. On 8 May 1945, Prime Minister Winston Churchill made an announcement on the radio at 3pm that the war in Europe had come to an end, following Germany's surrender the day before.

There are three challenges to choose from.....

Challenge 1

Design a medal for a soldier who served in the Second World War.

Design a VE Day Medal

This medal celebrated the end of the First World War and was given to soldiers who had fought in active theatres of the war. It was a symbol of **great pride** but its design was also highly **symbolic**.

Bronze medal, not too expensive after the war, but long lasting.
