## Can you create a 'healthy' dinosaur landscape?

How many different types of fruit and vegetables can you use to create your dinosaur scene?

Can you take a photograph of your scene to show us?

> Now eat your dinosaur landscape! Can you complete the chart below showing which fruits and vegetables you liked or didn't like?

## I can sort my fruit and vegetables

| Fruits I liked | Fruits I didn't like | Vegetables I liked | Vegetables I didn't like |
| :---: | :---: | :---: | :---: |
|  |  |  |  |
|  |  |  |  |

How many of each fruit or vegetable did you use to make your scene?
How many did you like or not like?
Did you like more fruit or vegetables?
