

Hello Dosbarth Wren,

There is only 1 week left until the summer holidays.

I can't wait to see you in September! Penny and I have missed you so much.

I have another book I would like to share with you. It is called **Dear Zoo**.

You can watch the story on YouTube.

You might like this version: <https://www.youtube.com/watch?v=KzI9IyeMWto>

I have included some work sheets, activities and ideas for you to do at home.

I hope you enjoy the story.

I will look forward to seeing you in September!

Lots of love from,

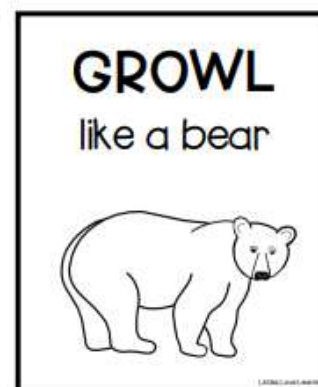

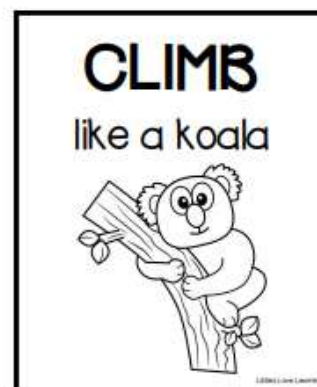

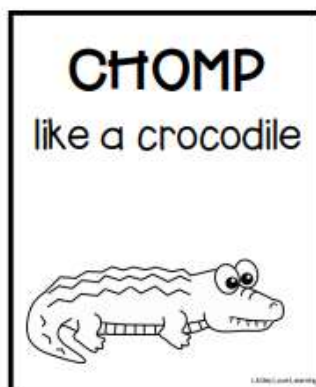

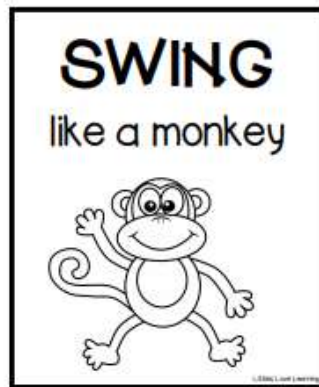

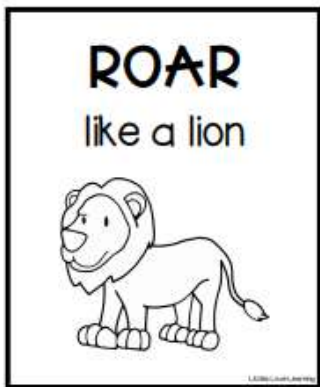

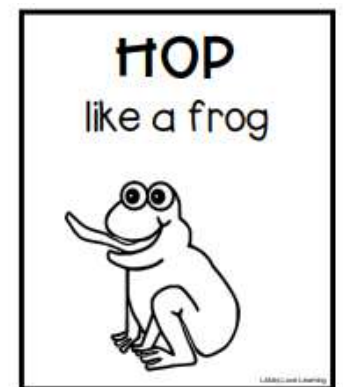

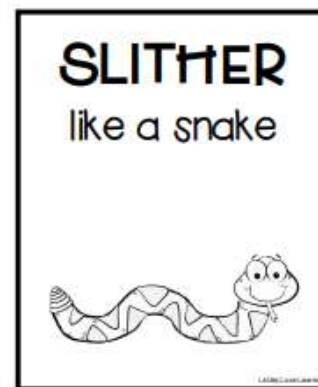

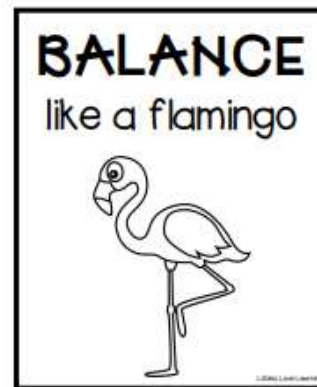

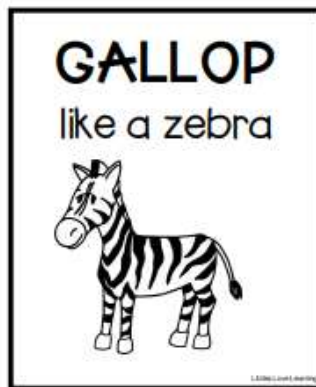

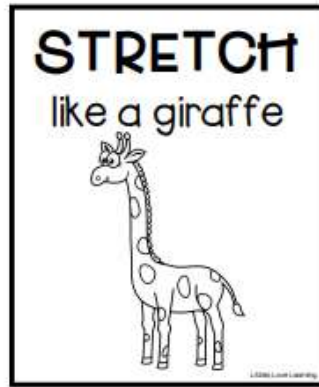

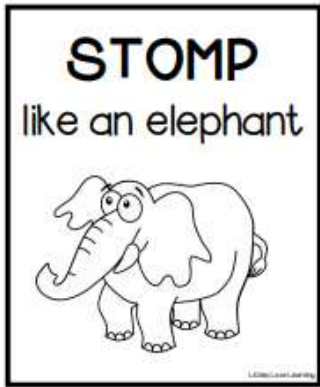

Miss Griffiths. x

Cut and then paste the missing animal in the empty space.

# Move like an animal game.

You can cut out these cards and put them in a tub. Pick one out and move like that animal.

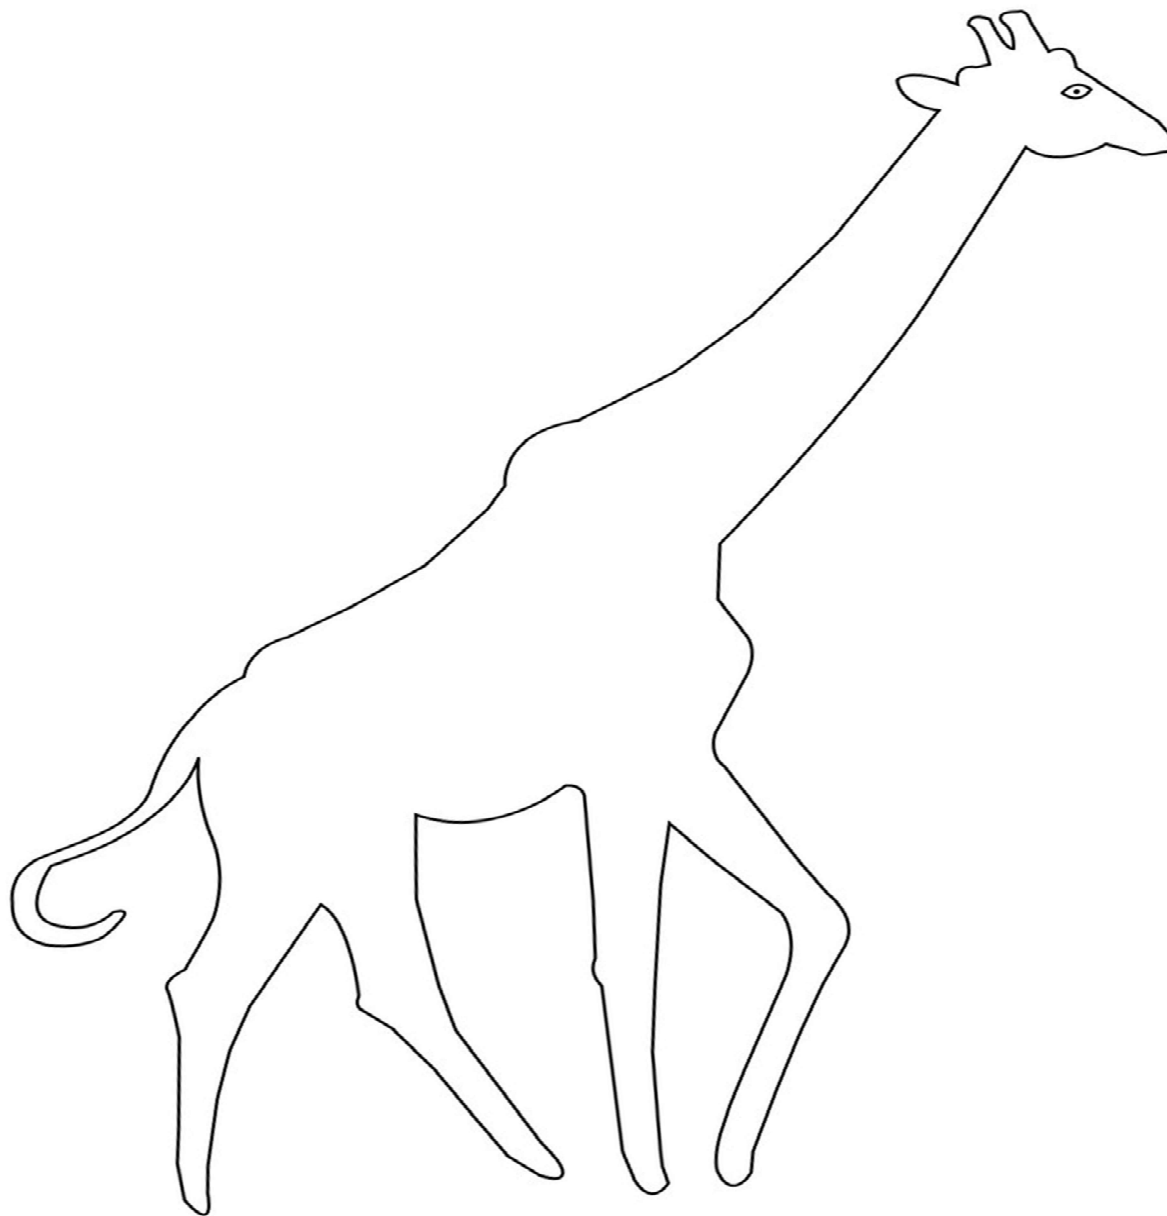

## Giraffe Number Game.

Can you use the giraffe outline to cover your giraffe in cereal spots?

Try rolling a dice and placing that number of spots onto the giraffe.

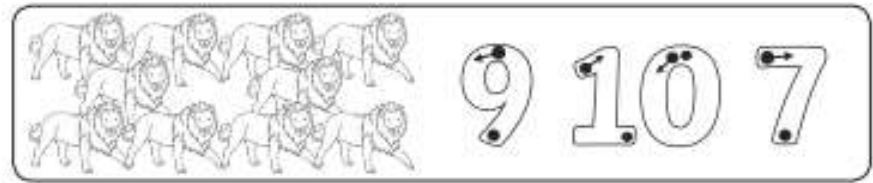

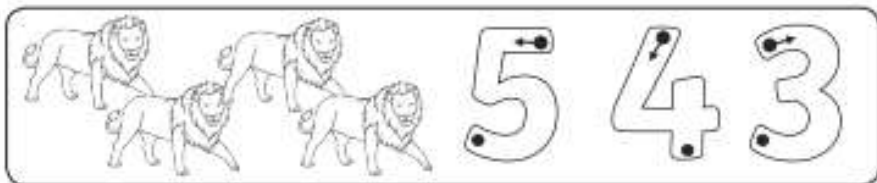

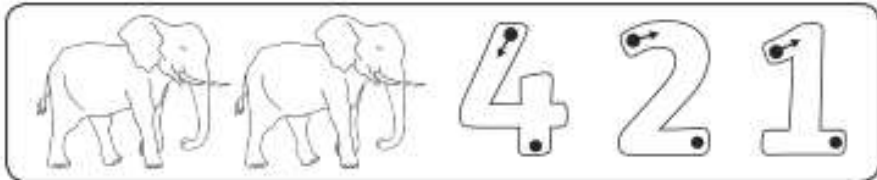

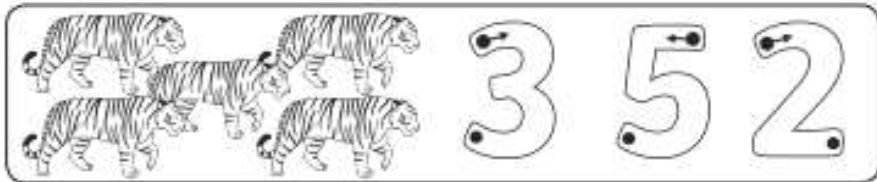

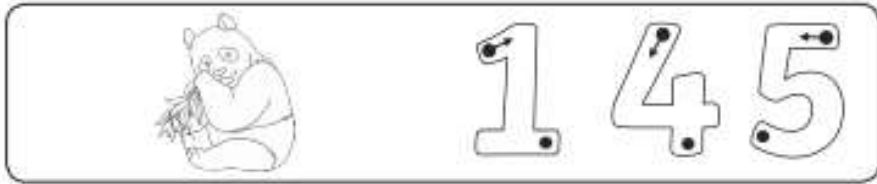

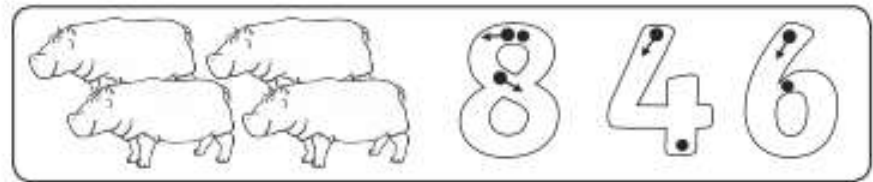

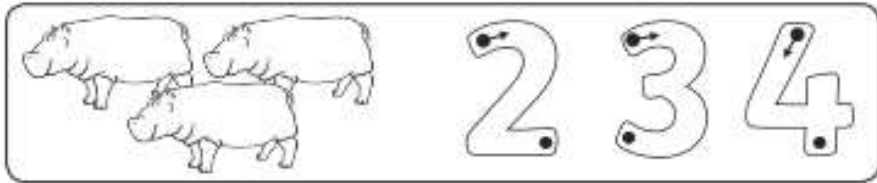

Or you could write numbers inside the giraffe and ask your child to find a specific number and place a spot onto it.

You can eat the cereal after the game!

## Zoo Animals Counting

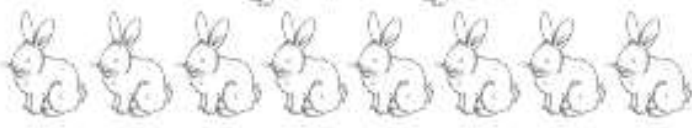

Count and colour in the animals. Trace the number that shows the correct number of animals.

## Pets Counting to 10

Write down the answers in the circles.
