Year Two : Superheroes

Magical Memories and Moments of my Mount Street Adventure.

We are so proud of all our Year 2 children and their families.

We're proud of how you have coped during the Lockdown;

We're proud of how you have coped with the 'Catch-Up' days;

We're proud of all you've achieved since the day you started Mount Street Infants.

Now, as we look to the future and the transition to Year 3 at Mount Street Junior School, we can reflect on our experiences at the Infants and also at home during the Lockdown.

Many of the challenges for the next two weeks will help us all make a collection of amazing memories from Mount Street Infants!

Our literacy activities for the final two weeks will be:

- Reflecting about our time at Mount Street Infants, and collecting our 'memories'
- Creating a memory jar full of all our favourite memories during our time at the Infants. Parents you can send in your favourite memories too to all to our jar!
- Recording our memories on our jar memory sheet
- Create a memories acrostic poem and have fun finding words

Writing challenge

1. Complete the attached Mount Street Infant Memories sheet.
2. Use these memories to write some sentences about your time at Mount Street Infants. Chat with your family as they can help you!

Think about

Can you remember your first day in School?

Who were your first friends?

Your first teacher?

Can you remember your parts in the Christmas plays?

What was your favourite trip... Dear Santa at the theatre, Small Breeds farm, Mountain Centre, Demetria Centre?

What are your favourite forest school activities?

What topics have you enjoyed learning about?

Favourite part of school?

Funniest moment....

Favourite subject....

Creative challenge:

A memory jar is where you can keep happy memories.

Some people make one to remember all the things they've done in a year.

Step one: Find an empty jar or an object that's large enough to keep notes inside. Check that it's clean and not being used for anything else.

Step two: If you want to, you can decorate your memory jar

Step three: Put some paper and pens next to it. Whenever you or your family remember something funny or special you can write it down or draw it on a piece of paper, fold it up and put it in the jar. You'll end up with a container full of memories that you can share with your family and can look back on when you are older.

Have a go at creating your own Acrostic poem to celebrate your time at Mount Street Infants.
